## MEMORANDUM IN SUPPORT

The parties jointly request a new scheduling order for this case. There is good cause for this request. Counsel for the Plaintiff has been dealing with medical issues for relatives, and counsel for the Defendant has had a relative receiving treatment for a serious medical issue which also required hospitalization. This extension of time is not for the purpose of delay, but rather to allow the parties to complete discovery.

Alternatively, if the Court requires additional information or prefers a different schedule, the parties request a telephone status conference with the Court.

The parties jointly request an extension of the current discovery deadline from January 15, 2024, to March 15, 2024. The previous scheduling order also included dates for briefing on a dispositive motion, and the parties request that those dates be extended as well, with a new date of April 30, 2024, for a dispositive motion date, May 30, 2024 for an opposition to a dispositive motion, and June 20, 2024 for a reply brief in support of a dispositive motion date.

Respectfully submitted,
